

Sowing Seeds in Belize

2019 Container Project Donations List

- Unless otherwise indicated, **gently-used items** are great—as long as they are clean and in good condition.
- Donations can be brought to the container **on Sundays, 9:30-10:30 AM and 12-1 PM**, and Wednesdays by appointment.
- Please identify the contents inside with labels in **THREE** places: on the **top** AND on one **short side** AND on one **long side**.
- Please remember to bring your **\$10 donation to help with shipping costs**. (Can't afford \$10? Don't worry about it. Can you afford more than \$10? Give what you can!)
- If possible, please package like items in one box (i.e., clothes in one box, books in a different box).

Here's what we're collecting:

- Clothing:** All sizes are needed, from infant to adult. It's helpful if each box is separated by size (child, youth, adult) and gender. Spring/fall jackets are needed as well.
- Shoes:** sneakers, flip flops, rubber boots, work boots, & hiking boots; all sizes needed from infant to adult
- Blankets:** Homes aren't heated so a 55° night is chilly!
- Towels & sheets**
- Multi-vitamins:** Children's vitamins are top priority, but adult vitamins are needed too
- Books:** Encyclopedias, educational material, leisure reading for all ages, National Geographic magazines, Bibles, Bible studies, devotionals, etc. *REMEMBER: Faith Church is also collecting books for the book sale at the November UMW Holiday Bazaar. They can NOT take encyclopedias, so the container project is a great place to donate them instead.*
- Baking supplies:** cookie sheets, rubber spatulas, stainless spatulas, mixing bowls, stirring spoons, whisks, measuring cups and spoons
- Kitchen supplies:** pots, pans, serving utensils, baking pans, sheet pans, plates, flatware, plastic cups, etc.
- Sewing supplies:** sewing machines, fabric, buttons, thread, patterns, scissors, etc.
